

New TREASURE Forest Certifications

Congratulations to the 49 landowners who were awarded TREASURE Forest certification at the April 2003 meeting of the TREASURE Forest sub-committee. With these landowners, 14,715 acres were added to the TREASURE Forest program in Alabama. At this same meeting, 85 landowners received re-certification.

This brings Alabama to 1,878 certified TREASURE Forests with a total of 1,798,154 acres of forestland being managed under the guidelines of the TREASURE Forest program.
